

HOW TO BECOME A Massage Therapist

Massage therapists are trained to relieve pain, ease tension and discomfort and overall help people feel better.

A career as a massage therapist is highly rewarding as you can earn \$40 - \$80 an hour, offers flexible working hours and the best part? You don't need much equipment to get started working for yourself!

Career Opportunities

- ✓ Work from home so you can fit it around your family needs
- ✓ Travel the world working on cruise ships or in luxury resorts
- ✓ Work alongside physiotherapists, osteopaths & chiropractors in multi-modality clinics
- ✓ Work with athletes and sports teams
- ✓ Specialise further in treatments for lymphoedema, post-cancer treatment or paediatric massage

01

Find out about what qualifications and insurances you need to work professionally in massage therapy and also offer Private Health Care rebates by downloading our free industry [guides](#).

02

Select an accredited school (RTO) that teaches the HLT52021 Diploma of Remedial Massage, which is the minimum qualification to work professionally and also offer Private Health Care rebates to your clients.

03

Visit the school and see what it would be like to be a student and book a student massage so you can talk to students to find out about their experience there.

04

After you have enrolled you can join a Massage Association so you can get insurance and work as a student therapist for others or set up your own space and start working, as early as three months into your course.
